All films and clichés for repeat printing are available here.

Therefore, please ask SIGNUM directly for an offer.

If you place an order, we will be happy to deliver the magnets directly to our partner.

The magnets will then be invoiced as usual by Brugger, and the printing will be invoiced directly by Signum.

For new orders, but also for repeat printing, you are of course free to decide whether you want to work with our existing partner or whether you want to look for a new partner yourself.

Your advantages:

Direct and therefore faster processing

Direct communication with "experts"

Processing of artwork

Magnetic transport from Brugger to Signum

Individual packaging requests

Faster delivery time

Restrictions:

Separate invoicing
