Öse-M5	33	16.4	verzinkt
Öse-M6	37	20	verzinkt

All eyelets are made of high-quality galvanised steel to ensure a long service life and reliable use. Combined with the super-strong BRUGGER magnet systems, a simple eyelet becomes the perfect fastening solution.

Whether hanging objects, attaching lines or other fastening tasks - these eyelets offer the right components for your projects.
