DEKA-34KA _s	34	29	28	100	35	mit Adapter waagrecht
DEKA-34KA _{mR}	34	29	39	100	36	mit verstellbarem Adapter 180°

PRODUCT INFORMATION:

The systems are used to attach poster frames, e.g. for warehouse labelling or for price labelling.

* The forces have been determined at room temperature on a polished plate made of steel (S235JR according to DIN 10 025) with a thickness of 10 mm (1kg~10N). A deviation of up to -10% from the specified value is possible in exceptional cases. In general, the value is exceeded. The type of application (installation situation, temperatures, counter anchors, etc.) sometimes influence the forces enormously. The values given are for orientation purposes. Let our experts advise you.
