Handles with external thread

Article number	D mm	H mm	Surface	Weight g	Temperature °C
NT015KSGr05s-00	15	57	Black plastic, galvanised steel thread blue	12	110
NT026KSGr08s-00	26	111	Plastic black, rod galvanised blue	66	110

These handles with external thread are the ideal addition to our magnet systems. This makes handling larger magnets child's play.
