Our colourful disc magnets are not only practical, but also look fantastic! With their plastic coating and powerful neodymium magnet, they offer optimum hold and are perfect for anyone who needs extra strong adhesion - they hold up to 8 sheets of 80 g A4 paper! Whether in the office or on glass boards, these magnets are the ideal choice for a stylish and organised work environment.

PRODUCT INFORMATION:

- " no nickel - no allergy
- " appealing design
- " Easy to remove thanks to the grip edge
- " plastic cap protects the raw magnet from breaking
- " can be used on both sides (e.g. for paper clips, ballpoint pens, scissors)

" Colour mix top / bottom possible

As an alternative to the standard version, we also offer individual solutions:

" Plastic housing in special colours

" Can be individually printed

" Higher adhesive force

* The forces have been determined at room temperature on a glass board with 4mm glass thickness (1kg~10N). A deviation of up to -10% from the specified value is possible in exceptional cases. The value is generally exceeded.
